Services do not lower course standards or alter essential degree requirements, but instead give students the opportunity to demonstrate their academic abilities. General services include: assistance in developing a positive working relationship with faculty, facilitation of classroom accommodations, and referral to other University and off-campus resources. Services that are specific to the student's disability include: recruitment, selection, and referral of readers, notetakers, and academic aides. Assistance is also provided with orientation to campus and mobility training. Textbooks are provided on audio tape, in large-print, Braille, or on computer disk. In addition, the office also provides hearing amplification equipment and access to an Arkenstone Reader, Braille printer, and CCTV.</p>
<p>University of Saint Francis Ms. Tricia J.V.
